Receipts of cattle for the week, 81,500. A big supply of all kinds of stockers and feeders in all weights from 400 to 1,100 lbs. An excellent selection in all the beef breeds, Angus, Herefords and Short-horns. Quality and selection is exceptionally good as offerings of natives from the Central States and gentle Northwestern range cattle are unusually heavy. There is also a big supply of plain and medium grades in the more reasonably priced cattle.

Market strong to 25c higher on good kinds early in the week, but closing with the advance lost. All kinds of light cattle, especially medium grades, receiving very poor demand with heavy receipts. A big supply will be carried over Sunday unsold.

Heavy receipts expected all the following week and we would advise you to come to Chicago at once. Let us show you our big selection of cattle. Lowest possible market prices. We ship out all cattle for our customers and attend to all details.

### Proposed Amendments to the Constitution

(Proposed by Initiative Petition)  
ARTICLE XV  
SECTION 9-1

Yes That a section to be known as Section 9-1, Article XV of the Constitution be adopted to provide that the phrase "intoxicating liquor" shall not be defined or construed to mean any beverage which is in fact non-intoxicating and that no beverage containing two and three-quarters or less per cent of alcohol by weight shall be deemed an intoxicating liquor.

(Proposed by Initiative Petition)  
ARTICLE XV  
SECTION 2

Yes To repeal state-wide prohibition of the sale and manufacture for sale of intoxicating liquors as a beverage, viz: Section 9, Article XV of the Constitution, and the statutes passed in pursuance thereof; to revive the laws relating to intoxicating liquors in force and effect November 4, 1918; to adopt proposed Section 9, Article XV of the Constitution, providing for the licensing of the traffic in intoxicating liquors as a beverage and for the limitation of the number of saloons in territory where the traffic is not prohibited under general local option laws applying to municipalities.

No To repeal state-wide prohibition of the sale and manufacture for sale of intoxicating liquors as a beverage, viz: Section 9, Article XV of the Constitution, and the statutes passed in pursuance thereof; to revive the laws relating to intoxicating liquors in force and effect November 4, 1918; to adopt proposed Section 9, Article XV of the Constitution, providing for the licensing of the traffic in intoxicating liquors as a beverage and for the limitation of the number of saloons in territory where the traffic is not prohibited under general local option laws applying to municipalities.

OHIO DRY FEDERATION,  
J. A. WHITE, Mgr., Columbus, O.

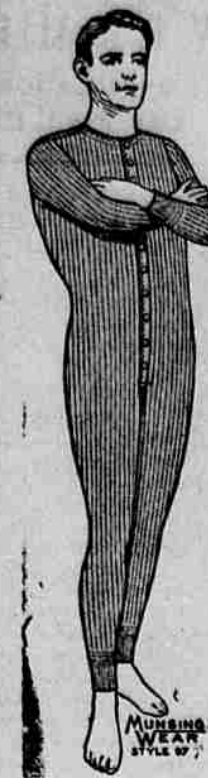

It is of vital importance to Ohio that every voter shall be gotten to the polls November 4; as there has been no election for years that has had as far reaching results as will the election this year. It is just as important that each voter shall know how to correctly mark this ticket. To understand how to mark this ticket, we must remember that the wets are asking that these amendments be placed in Ohio's constitution, to repeal state prohibition, re-establish the saloon license system and make legal the unrestricted sale of any beverage containing 3.45 per cent or less of alcohol as commonly computed. If you favor state prohibition you must vote No on both of these amendments. You do this by placing a cross mark before the word No both places where it occurs on the ticket. If you do not favor state prohibition, but do not want it made possible to have places selling the old fashioned village, hamlet and township in Ohio, then you should vote No on both of these amendments.

You will see by careful examination that the above ticket has for its heading Proposed Amendments to the Constitution. And under the heading in finer print it says (Proposed by Initiative Petition). Your attention is called to the heading of this ticket because there will be another ticket on the wet and dry proposition that you will receive on November 4. The other ticket is commonly known as the Referendum ticket and will be explained and discussed in an article appearing later in this paper. PLEASE WATCH FOR IT. It is just as important that you shall understand and vote right on that ticket as on this one.
